2022/3/26 Group meeting

Today we had a routine group online meeting, where we discussed the first iteration's work allocation. From the prototype we made last week, the user interface was our first priority. Hence, we allocated the everyone's work based on the part of the prototype(10 parts included). The detail is listed below.

Group allocation

group member	part
李尚泽(Shangze Li)	1,2(including log-in)
陈瀚潮(Hanchao Chen)	3(including log-in)
李政骁(Zhengxiao Li)	4,5
王贝嘉(Beijia Wang)	6
周登洋(Dengyang Zhou)	7,8
李九林(Jiulin Li)	9,10
